Serving Southern California For Over 35 Years

	<b>Bosch Rexroth</b> Piston Pumps and Motors; Proportional and Servo Valves & Controls; Electronic Cards; Directional, Flow & Pressure Control Valves; NFPA Hydraulic Cylinders
	<b>Sun</b> Cartridge Valves; Load-Holding Valves; In-Line Pressure and Flow Control Valves; Sandwich Bodies; Custom Manifold Assemblies
	<b>Gates</b> Hydraulic Hose, Fittings and Adapters; Metric Hose Ends and Metric Adapters; High Pressure Spiral Hose; Industrial Hose
	<b>HydraForce</b> High Performance Hydraulic Cartridge Valves and Hydraulic Control Systems; Mobile Electronics
	<b>White Hydraulics</b> Low Speed, High Torque (LSHT) Hydraulic Motors; Roller Stator®
	<b>Fairfield Torque-Hub®</b> Planetary Speed Reducers; final drives; wheel drives; spindle outputs and shaft outputs.
	<b>Hydac</b> High Pressure Hydraulic Filters; Cooling Systems; Compact Hydraulic Power Units; Diagnostic Tools; Electronics
	<b>Delta</b> Multi-Axis Motion Controllers; Motion Software; Color Sensors; Voltage-To-Current Converters; Signal Converters.
	<b>Walvoil</b> Sectional and Monoblock Directional Control Valves For Mobile Applications
	<b>Thermal Transfer</b> Water and Air Cooled Heat Exchangers for Mobile and Industrial Applications; Thermostatic Valves
	<b>MTS Temposonics®</b> Magnetostrictive Linear-Position Sensors

Hydraulic Controls, Inc. is also the factory authorized distributor for **Bosch Rexroth Pneumatics** (Air Valves, Air Cylinders, FRLs; Vacuum Products), **Schroeder Industries** (Hydraulic Filtration), **Casappa** (Gear Pumps & Motors), **Flo-Tork** (Rotary Actuators), **HR Textron** (Rotary-Direct Drive Servo Valves), **Haskel Pressure Products** (Gas Boosters & Liquid Pumps), **Magnaloy** (Manifolds, Couplings and Reservoir Accessories), **Nason** (Pressure Switches), **Pepperl + Fuchs** (Proximity Switches and Sensors), **Parker/Commercial Intertech** (Gear Pumps, Motors and Stackable Directional Valves).
